Important travel information (#important-traveler-info)

The U.S. government raised the security alert level and implemented extra restrictions to assure the security of air travel. Certain changes in airport procedures and restrictions on items allowed on board aircraft are detailed on the Travel Alert: Elevated Security (<http://www.united.com/web/en-US/content/news/travelnoticesecurity.aspx>) page.

Any changes to your flight reservations may incur additional charges.

Airlines require government issued photo identification upon check-in, such as a driver's license or passport.

Passport, visa and health requirements (<http://www.united.com/web/en-US/content/travel/destination/international/passport.aspx>) may apply for this itinerary. Each passenger must ensure that he or she has all required travel documents as stated in Rule 19 of the Contract of Carriage (<http://www.united.com/web/en-US/content/contract.aspx>). Information on this site is provided as a courtesy and should be verified by the passenger before travel. Other resources include the consulate of the destination country and the U.S. Department of State (<http://www.travel.state.gov>).

Please read Important Information governing airline baggage liability limitations (<http://www.united.com/web/en-US/content/travel/baggage/liability.aspx>).

You will be contacted with any changes or additional information such as schedule changes, itinerary changes, etc.

Special services are on a request basis and cannot be guaranteed.

Special meal requests must be received at least 24 hours before the departure of your flight and cannot be guaranteed.

The price displayed includes up to a 7.5% U.S. Federal Transportation Tax on the base amount of the fare on itineraries wholly within the United States. This tax also applies to certain itineraries between the United States and Canada or Mexico. You will not earn PQD or award miles for the full amount of the displayed price for these itineraries because the U.S. Federal Transportation tax is not eligible to earn PQD or miles.

Mileage accrued will vary depending on the terms and conditions of your frequent flyer program. United MileagePlus mileage accrual and other benefits of MileagePlus associated with air travel are subject to the rules of the MileagePlus program.

What you need to know to travel:

Check-in: Be sure to arrive at the departure gate with your boarding pass at least 10 minutes before your scheduled departure time. Otherwise, your reserved space may be cancelled and you won't be eligible for denied boarding compensation.

No Show Policy: If you are not planning to travel on any portion of this itinerary, please cancel your reservation at least 10 minutes prior to the scheduled departure of your flight. Customers who fail to cancel reservations for a Wanna Get Away fare segment at least ten (10) minutes prior to travel and who do not board the flight will be considered a no show, and all remaining unused Wanna Get Away funds will be forfeited. All remaining unused Business Select and Anytime funds will be converted to reusable travel funds for the originally ticketed Passenger only. If you no show your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of reusable travel funds under the name of the traveler(s).

Applying Travel Funds: In the event your travel plans change and you need to apply travel funds to future trips, please make note of your confirmation number. Customers calling Southwest to request a refund or to research travel funds for a specific ticket must provide their confirmation number, ticket number or flight information (date, origin and destination).

Prohibition of Multiple/Conflicting Reservations: To promote seat availability for our Customers, Southwest prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively cancelled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as travel funds for use by the Customer on a future Southwest Airlines flight.

Booking with RapidReward Points:

When booking with Rapid Rewards points, your point balance may not immediately update in your account.

United has partnered with Sustainable Travel International (STI), a non-profit organization that supports global climate protection and environmental conservation. STI offers customers the option to make a contribution to offset their carbon footprints for travel on United. All contributions are paid directly to STI. United does not receive any portion of any contribution.

Sustainable Travel International calculates that to offset your amount of CO2 from this itinerary, you may contribute \$5.44 or another amount.
